

The Solemnity of the Sacred Heart
June 13, 2010 ~ Cycle C

From Douglas Barclay, Minister of Worship...

Today's celebration of our patronal feast day, The Solemnity of the Sacred Heart, marks the culmination of our major season of music here at The Shrine. It is fitting as we move into our wonderful summer plans that we are left with the image of a gentle shepherd who tends his flock as heard in the scriptures today. You will notice in the coming weeks that we will move into the long stretch of Summer Ordinary Time that will be for us an extended meditation on the Gospel of Luke. As we move into this summer retreat, it is appropriate that I thank all who have contributed so much since last September to our beautiful music ministry here. Most especially I wish to thank the members of our Shrine of the Sacred Heart Choir for their hard work and dedication. As you already know, our choir is made up of both volunteer and professional members. This blend has given us great opportunity in the past year for music making and worship. Our church choir has offered compositions both modern and traditional, new works from our Composer-in-Residence, Michael Summa, and the best of the choral repertoire to enrich and make more full our worship and praise. Even those who do not generally attend the 11:30 mass have a sense of the quality and vocal prowess of our choir as heard through our talented cantors. Many thanks to all who have given so many years, and in some cases decades to the choir and the music ministry here at the Shrine. In many ways the cantors are for us a great voice of consistency that inspires us to song and engages us on a level that only music can. Please take some time after mass some Sunday to let those involved in music ministry know how much they are appreciated for their love of the community and for their leadership and ministry. Finally, a word of thanks to the most important members of the music ministry: the congregation. Through your singing and active listening and engagement in prayerful presence, you express what the choir symbolizes: harmony, unity and the active presence of the Spirit inspiring tongues to speech and voices to melody. Have a great summer! - Douglas

**NEITHER SILVER NOR GOLD:
but what I do have, I give you...**

In this quote from Acts 3:6, St. Peter is offering healing in the name of Jesus Christ.

During the summer, the RCIA Team—also without silver or gold—will be ready to share the treasure of God's Holy Word...a source of spiritual healing and refreshment. The Team will read the weekend Scriptures and reflect with you a half hour before Mass.

We are calling this gathering: **MEETING THE WORD.**

If you have ever desired to

- T** be deeply enriched by hearing the Gospel
- T** have insights into the Mass readings
- T** be more attentive during the Liturgy
- T** have a "taste" of Bible study
- T** hear the faith shared among us

Please consider joining us in the Undercroft during any or all of the following times during the month of June:
